INTEGRATED FENCING

Integrated Palisade

Our Palisade Security Fencing is typically used for medium security applications and suitable for commercial, educations, end user clients. With heavy duty steel RSJ posts and vertical steel palisade pales this system is very strong and robust, used mostly in the industrial sector. It comes with anti-tamper security fixings as standard. This system comes in various heights and a full range of standard RAL colours.

- **Triple pointed or rounded pales**
- **Palisade pales come in 'D' or 'W' profiles**
- **Anti-tamper security fixings**
- **Anti-climb**
- **Powder coated in a full range of standard RAL colours**

Fence Height	Pale Types Available	Pale Thickness (mm)	Post Centres (m)	Post Sections (RHS)
1.2	D or W	2 / 2.5 / 3	2.75	100x55 IPE
1.5	D or W	2 / 2.5 / 3	2.75	100x55 IPE
1.8	D or W	2 / 2.5 / 3	2.75	100x55 IPE
2.0	D or W	2 / 2.5 / 3	2.75	100x55 IPE
2.1	D or W	2 / 2.5 / 3	2.75	100x55 IPE
2.4	D or W	2 / 2.5 / 3 / 3.5 / 4	2.75	100x55 IPE
3.0	D or W	2 / 2.5 / 3 / 3.5 / 4	2.75	100x55 IPE / 127X76 UB
